

EARTHQUAKE SAFETY & EMERGENCY RESPONSE BOND 2010 FIRE STATION NO. 16 REPLACEMENT

Issue #2
October 10, 2016

This project will provide a new seismically safe facility for the San Francisco Fire Department.

GENERAL INFO

This Week's Activities! 10/10 - 10/14

- General Contractor, Roebuck Construction, begins initial mobilization and safety barricade installation on 10/10.
- Installation of construction fence in front and back of the fire station on Greenwich and Pixley to begin on 10/12.
- Containment for safe removal of hazardous materials begins on 10/12). Hazmat work includes lead paint removal.

Next Week's Activities 10/17 - 10/21

- Safety barricades will be installed in front and back of the fire station on Greenwich and Pixley; affecting the pedestrian route.

Specific Impacts

- On 10/4, and thereafter, fire service will continue uninterrupted; SFFD will be responding from nearby Fire Stations 10 and 51.
- Contractor's work hours are currently scheduled for 7:00 a.m. to 3:30 p.m.

Ongoing Activities

- Increase in local traffic and deliveries is expected.
