

# EARTHQUAKE SAFETY & EMERGENCY RESPONSE BOND 2010

## FIRE STATION NO. 5 REPLACEMENT

Issue #3  
June 8, 2017

This project will provide a new seismically safe facility for the San Francisco Fire Department.

### GENERAL INFO

#### Project Updates

- Building structural demolition 90% complete.
- Noise and dust is expected during demolition as is commonly associated with this type of work. Dust mitigation measures will be in effect.
- On-going construction waste debris to be sorted and off-hauled from the site regularly. Watch for traffic control and flaggers as large trucks enter and exit the site.

#### Activities Week of 6/5/2017 - 6/10/2017

- Demolition of concrete hose tower.
- Demolition of existing foundation footings.

#### Activities Week of 6/12/2017 - 6/17/2017

- Demolition of concrete pavement.
- Construction waste debris will be sorted and off-hauled from site regularly.
- Removal of existing underground fuel tank.

#### Other Information

- SFFD will be responding from nearby Fire Stations 6 and 38; fire service will continue uninterrupted.
- Contractor's work hours are currently scheduled for 7:00 a.m. to 3:30 p.m. **Overtime work tentatively scheduled until 5:30 p.m. on Thursday, 6/8, and Friday, 6/9. Weekend work tentatively scheduled for 8:00 a.m. to 4:00 p.m. on Saturday, 6/10, and Saturday, 6/17.**
