CONSTRUCTION NEWSLETTER – APRIL 2020

Highlights
• The City’s Public Health Order No. 19-07b issued on March 31 states that construction of public works projects is considered an “Essential Business.” Therefore, work on the Fireboat Station project will continue until further notice. The contractor has updated their health and safety plan based on the guidelines listed in the City’s Directive issued on April 2.
• Welding of structural steel is complete, including canopy at south elevation and patio deck at level 2.
• Welded metal decking and laid out MEP inserts at level 2.

Construction Activity Schedule
• April 2020:
  • Layout and weld metal decking and layout MEP inserts at roof.
  • Install forms and rebar for concrete at level 2 and roof.
  • Place concrete deck slab at level 2.
• May 2020:
  • Place concrete deck slab at roof.
  • Begin install of exterior and interior steel stud framing.

Other Information
• Fire Station No. 35 at Pier 22½ will remain open and continue to provide landside and waterside service throughout construction.

SCHEDULE
*Construction schedule is subject to change due to adverse weather and unforeseen conditions.
